ADA C·E·R·P®

Continuing Education Recognition Program

The Indiana Dental Association is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. The Indiana Dental Association designates each course for a specific number of continuing education credits. Refer to individual course listings for credit amounts.

*2-5 CE Credits***
Check-in: 11:15-11:30 a.m.
Course: 11:30 a.m.-2:00 p.m. (approximately)

The Basic Life Support course for health care providers is designed by the American Health Association to meet the needs of health professionals who are required to hold a current certification or who have continuing education requirements for health care workers. This course covers CPR instruction, two-person rescue adult CPR, child and infant CPR, foreign body airway obstruction removal instruction and Automated External Defibrillation (AED) instruction. Written and practical tests will be administered.

Hands-on Objectives:

- Demonstrate life-saving CPR skills for victims of all ages, including defibrillation
- Identify sudden cardiac arrest and respond using the AHA chain of survival
- Respond to choking emergencies and use airway adjuncts

Training is required once per licensure period for hygienists. Training is required for dentists under certain circumstances once per licensure period.

**Course fees are $75 per person, per course, and $200 for non-IDA member dentists. A 10% discount is available for groups of 8 or more registered attendees from the same office, regardless of courses taken.*

***Indiana law limits hygienists to 2 CE credits for CPR training and 5 CE credits for dentists.*
